

Trust...

**The extra dimension
in product acceptance
for the '80's.**

Today most products must bear ingredient labels and more people are opting for natural ingredients in products of their choice. It reflects their new natural lifestyle...more aware...more discerning...more demanding.

They remember the products they like and trust. And you must be able to trust that your natural ingredients are just that; natural, with nothing artificial added.

Since 1869, the A. M. Todd Company has been producing and handling pure essential oils...for confections, for beverages, for pharmaceuticals, for cosmetics and toiletries.

Take a closer look at the advantages of Todd essential oils in your formulations...

- Peppermint oils ■ Spearmint oils
- Lime oil, distilled ■ Lemon oil ■ Citrus specialties.

We will send you technical data and complete assay information on the oils of your choice. Write or phone...
