

FLAVOR, TASTE AND NO WASTE

The natural food value of CVC dehydrated vegetables is "locked in", not cooked out. With quality packed CVC dehydrated vegetables, you pay only for the usable product. There is no waste, added water, drained weight losses, peelings, cores or culls.

CVC dehydrated vegetables concentrate natural aroma and taste. Add value to your new products with a choice of eight new and exciting ingredients. We offer the service, availability and value you require. Call for samples, custom mixes and ideas.
