

When everyone's
uptight on
breeding problems...

NW-701 R

call Newly Weds for instant help

When a rush order must be filled—or your sales are growing by leaps and bounds — anytime you're uptight and need breeding and batter mix in a hurry, call Newly Weds.

Immediate scheduling! When you call in an order for Newly Weds Breeder and Batter Mix, we don't call a committee meeting. We'll give you a delivery date on the spot.

Fresh, same-day production. Fresh coating means fresh flavor. Every batch you order is made up fresh for you.

Same-day shipment. We give you firm delivery dates. In emergencies, phone in your order in the morning; we will mix and ship by evening—up to full carloads!

500,000 lb. daily capacity! We have the large capacity—up to 500,000 lbs. daily—to fill any size order. We'll mix your own custom formula. *We produce more formulations than any other coating supplier.*

For fast, dependable service in breeding and batter mixes, call Newly Weds.
