

let us help you pick

Selecting the exactly right surfactant can do much in helping you formulate a better and more profitable shampoo or other cosmetic product. As one of the pioneer firms in the manufacture of synthetic detergent raw materials, we have a long background of technical experience to offer you. We also offer the widest range of surfactants, making possible "one-stop" buying that may mean substantial cost savings for you. And now there are Stepan manufacturing facilities coast-to-coast; in Los Angeles; Millsdale, Illinois; Maywood, New Jersey. We would welcome a chance to serve you. Why not drop us a line for information?
