This is what I call cultured

I heard it's being nominated for best s'cream play

It's even better than the (recipe) book

You can depend on North Star for a good production

It's rated "X"tra good

Let's not miss the "opening" huh

Quit shovin' !!!

Only North Star could feature something this real

Why all the fanfare? Sour cream fans are seeing the world premiere of DeHydrated's best... North Star's excitingly *real* SOUR CREAM. North Star has the knowhow, the capacity, all the natural ingredients to make dehydrated SOUR CREAM (cultured or acidified) a big hit for you. Once liquefied, it has that clean, fresh sour cream flavor. We think our production will run for a long, long time. It's extraordinary. So don't miss it; call or write LARS. He's our big production man.
