

Only Meer guarantees continuous supply of 299 essential natural ingredients.

In an uncertain world, Meer's well-established worldwide network assures a certain, continuous supply of 12 gums, 82 flavor extracts, 29 oleoresins and 176 botanicals.

Meer exercises the strictest quality control for batch-to-batch uniformity in extraction, spray drying, milling and blending, whether regular products or custom processing.

Come to the source that will expand your production process dependably back to the very source of superior natural ingredients. Ask for skilled Meer technical assistance and innovative product development approaches. Contact us today.

YOUR NATURAL LINK TO BETTER PRODUCTS.
