

*Providing a world of solutions.*

*Since its beginnings in 1929, Kelco has devoted itself exclusively to solving problems of rheological control.*

*Today, we are the world's leading supplier of unique polysaccharides: xanthan gum and alginates. Our products can be found in a wide variety of food and drinks—everything from salad dressing to ice cream to beer.*

*For over 50 years we've been providing technical solutions to food scientists all over the world. The benefits of our technical expertise, research, seminars and technical literature are available for the asking.*

*We can help you.*

*For solutions to technical problems or free copies of our literature, please write to: Kelco, 8355 Aero Drive, San Diego, CA 92123.*
