

## **Perhaps our name's not familiar, but you know our fragrances.**

**We supply fragrances for some of the top brands  
of cosmetics and toiletries.**

Our name may not be a familiar one. But that's not our job. Our job is to help make *your* name famous, by providing just the right fragrance to make your products sell.

Our talented perfumers are not only technically skillful, they're versatile and imaginative...sensitive to trends in interest and fashion.

That's why we supply the fragrance for

some of the best cosmetics and toiletries companies for their perfumes, colognes, lipsticks, hand lotions, shaving creams, moisturizers, talcs, soaps and shampoos.

Call us. We believe you'll like what you hear, see and smell and you'll remember our fragrances *and* our name.
