

Add all the Hickory Smoke flavor you want,

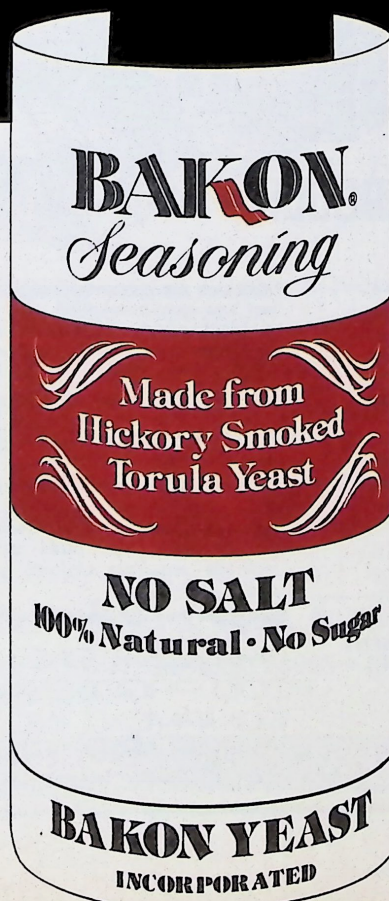

without adding
bacon,
salt,
sugar,
animal products
or anything
unnatural.

Bakon® Seasoning is a completely natural way to add the authentic taste of hickory smoke. It's made from high quality Torula yeast, smoked with 100% sweet hickory chips by a patented process. When you add Bakon Seasoning to your recipes, you add no sugar, salt, chemicals or animal fat. Just a low calorie, nutritious, pasteurized vegetable product.

You'll have excellent results adding Bakon Seasoning to any type of food product. Meats. Chips. Crackers and nuts. Spreads and salad dressings. Gravies, soups, cottage cheese, dips. You name it... it can be given that delicious sweet hickory smoke flavor.

Bakon Seasoning comes in three strengths, so you can easily create precisely the taste you want, time after time.
