

# Mom's home cookin'... who could ever forget it?

## Not Treasure Isle.

Take our Home Style breaded shrimp, for example. We start with plump, tender shrimp, with all its superb fresh-from-the-net flavor.

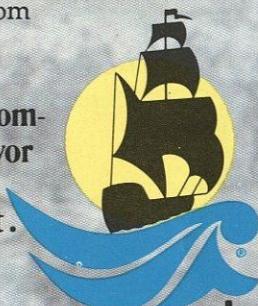

Then comes the special part—our exclusive home-style breading. Coarse, crisp, delicious breading you'd

think was passed down from an old family recipe. Breading that can make a meal as unforgettable as... well, Mom's home cookin'.

At Treasure Isle we've become specialists in unforgettably good food. Like our Home Style breaded shrimp, Golden Lock breaded shrimp, P&D shrimp, and all our other fresh-from-the-net frozen seafoods.

After all, good food is just good business. So if you'd like to serve food with that good home-made flavor your customers won't forget, then don't you forget these treasures from the sea... from Treasure Isle.

"Fresh-from-the-net" flavor  
your customers  
won't forget.
