

THE VANILLA STRETCHER

We're big in top quality pure vanillas.
But when costs get out-of-hand, we
feel it makes sense for us to help make
your supplies of vanilla extract go further.

Consider VANEXTENDER "C," the
vanilla stretcher. VANEXTENDER "C" is a
natural, non-vanilla flavor. It partially or totally
replaces vanilla extract in bakery products,
beverages, candy, yogurt and many other
foods in which vanilla is employed as a
primary or background flavor.

For samples and technical literature on
VANEXTENDER "C," please write or call us.
