D&O proudly presents THE PERFECT SEASONING . . . the most scientific approach to seasonings, developed at the D&O Dry Materials Division.

PREMIUM QUALITY: SPISOSEALS

SPISOSEALS are a line of powdered spice flavors based on spray dried oils and oleoresins, precisely formulated for use as alternates for crude spices, essential oils and oleoresins, solubilized oils, and dry solubles. There is no form of seasoning with finer, more well rounded flavor, nor any with such ease of handling.

SPISOSEALS: guaranteed flavor control and instant flavor release. Unsurpassable shelf life: these "locked-in" seasonings by virtue of the impermeability of their structure (tiny globules of oil secured each in its own individual casing) are protected against ravages of time, spoilage, volatilization.

SPISOSEALS: water soluble; completely and uniformly dispersible, both in dry products and in aqueous liquids where emulsion qualities set up a colloidal suspension system assuring permanent dispersion.

SPISOSEALS: stable, will not dry off — proved by analysis. Free from contamination, will never speck or discolor product.

SPISOSEALS may be custom formulated to replace any blend of spice flavors you are now using . . . We invite processors of quality food products to sample this new line of premium quality seasonings. Send your request to D&O Dry Materials Division, 249 Goffle Road, Hawthorne, N. J.
