Everybody loves disodium inosinate and disodium guanylate (Ribotide).

An acknowledged leader in the best flavor circles, Ribotide® mixes superbly with all types of foods. And when flavor is the topic of conversation, Ribotide stands out as a prime flavor constituent of the best-sellers in scores of foods; it is a proud ingredient on the most famous labels. Ribotide (disodium inosinate and disodium guanylate) enhances, supports, extends, balances, rounds and controls, and offers considerable savings, too, replacing up to 75 per cent of MSG at half the cost. Make your products the center of attraction—we'll be glad to help you do it. Call or write today.
