

***Meer: the source
for gums, flavor extracts,
natural colors.***

With the widest range of natural ingredients to serve almost any food processing function—flavor extracts, colors, gums, oleoresins, spices, essential oils—Meer provides an unusually comprehensive array of services. Extraction, spray drying, custom blending, milling, substantial inventories in extensive warehouse facilities; a skilled technical staff to help in product development and maintain strictest quality control—it's all Meer, thorough and dependable. Manufacturers have profited from Meer thoroughness for over half a century. Bring us into the picture today—call (201) 861-9500.
