WILKINSON
DEVELOPS THE
FULL CURL RIM!

We've come a long way since then...

Today, Wilkinson delivers one of the finest lines of formed foil products. From tart shells to institutional size steam pans—anything you need in aluminum foil containers, you can get from Wilkinson. Faster, too. From our large stock and a computerized ordering system, we ship quickly via our own trucks—when others can't ship at all.

Our prices are competitive! The quality is unmatched! In our modern plant, we have the newest equipment producing the strongest containers with full-strength beads and full-gauge foil. With quality containers, competitively priced, ready for quick delivery—what more do you need, except our catalog? Send for it, or call (402) 468-5511, Extension: 34.
